BEFORE & AFTER SCHOOL PROGRAM ENROLLMENT YOUTH AGES 5-12

Is your youth bored afterschool? Do you know where your youth is afterschool. Our highly trained staff plans daily activities that enhance social skills, build self-esteem, promote life skills and involvement with the community service projects and field trips. Staff provides homework assistance, and USDA approved breakfast and snack is served highlighting a healthy lifestyle, including fitness and nutrition.

Please remember that open-toed shoes are only permitted to be worn while at the pool. Keep your children much safer by having them wear close-toed shoes while at the Youth Center—Thanks!
